

LAKE SMART TRAINING FOR LANDSCAPE PROFESSIONALS

Department of Environmental Protection, Lake and Watershed Management Associates, Board of Pesticides Control

Expand your business. Take this course and be listed on the DEP LakeSmart Landscapers List. You will learn how to landscape and maintain your customers' property to minimize impacts to the lake by using DEP approved best management practices. The LakeSmart Landscaper List will be published in newspapers, newsletters, and on the web.

That means more GREEN business for you! And LakeSmart Awards for you customers.
